State of Ohio Orders, Restrictions, and Advisories

- Dr. Acton executed a Health Order directing all Ohioans to Stay at Home effective from 11:59 p.m. on Monday, March 23rd through May 1st, (copy of order can be found at coronavirus.ohio.gov)
- Governor DeWine recommends all Ohio residents suspend vacation travel
- All K-12 schools are ordered closed effective, Monday, March 16, 2020 through the end of the school year.

Actions Taken to Date

- Governor DeWine has signed an Executive Order providing immediate unemployment benefits to all workers that do not have access to paid leave from an employer
- State of Ohio approved for the Economic Injury Disaster Loan Program through the U.S. Small Business Administration
- Established a single website to provide local information on community guidance to include testing protocols, resources, and closures and modifications to service delivery (<https://lucascountyhealth.com/coronavirusupdates/>)
- Established Lucas County Community COVID-19 Call Line, a 24/7 centralized phone number for the public to receive answers to clinical questions related to COVID-19
 - (419) 251-4000
 - (419) 291-5355
- A Donations Management System and Center has been established to accept and distribute donations

- Established a landing page to direct donors to the appropriate place to provide their donation – Volunteer, Food, Financial Assistance, Goods (dontateTLC.org)
 - Linked this through our Health Department Coronavirus page as well
- All donations of goods should be emailed to Donations@co.lucas.oh.us
- Toledo Community Foundation is accepting financial donations to support the response to COVID-19
- United Way is coordinating food donations and volunteers
- All organizations in need of supplies, including PPE and other hard goods should submit a completed [213RR](#) form to eoc@co.lucas.oh.us. More information can be found at <https://donatetlc.org/requests>. Requests should only be submitted if supplies cannot be obtained through standard procurement channels.

*Situational Awareness**

**New items are in red.*

- **The Governor and Ohio Department of Education clarified yesterday (April 29th) that graduations may be conducted in the following manners: Virtual OR Structured and Controlled Ceremony with less than 10 people in one location (e.g. drive through, single family ceremonies).**
- The Governor established a plan to begin to re-open Ohio. The Stay-at-Home Order will remain in place and gatherings over 10 people will be prohibited. The plan allows medical procedures not requiring overnight stays to commence on May 1st. Manufacturing, Distribution and Construction as well as General Offices are permitted to reopen on May 4th. Retail is permitted to commence operations on May 12th but employees and customers are required to wear face coverings. Restaurants, bars, gyms, barber shops, and any other business not explicitly listed are to remain closed.
- The Toledo Regional Chamber of Commerce in partnership with Toledo and Lucas County Economic Development and the Toledo Lucas County Health Department will be launching “Open for Business” April 28th, an initiative to prepare local businesses to safely resume operations in support of the Governor’s Roadmap to Recovery. The launch of this initiative has been delayed until after the Governor’s strategy to reopen pieces of Ohio’s economy.
- The Toledo-Lucas County Health Department in partnership with Rite-Aid, Kroger, WalMart, and the Neighborhood Health Association announced four public testing locations today. Testing sites will include the Rite Aid location at Airport and Holloway in Springfield Township; Metroparks Hawkins Farmhouse; Nexus Healthcare Center; and Navarre Park Family Care Center. Each organization has agreed to share their testing results with the EOC so that we can track positive and negative tests. Rite Aid’s site has performed 911 tests in their first six days of public testing. Kroger’s site performed 435 tests over the course of their three days of public testing from Kroger show only 17 positive tests, for a 6% positive test rate. Testing at Hawkins Farmhouse will resume again with Walmart on Wednesday, April 29th. Between the two corporate partners, 1,803 public tests have been performed this week.

- Walgreens reached out yesterday (April 29th) to discuss potentially opening another public testing site in the southern portion of the County.
- COVID-19 hotlines operated by ProMedica and Mercy Health will modify their hours of operation to Monday-Friday, 0700-1900 effective Friday, May 1st. During off hours, there will be an option to leave a message. Calls will be returned the following business day.
- The Toledo-Lucas County Health Department secured a source (Quest) for universal testing of all Long Term Care Facility residents and staff. The approximately 6,000 tests should be administered by Friday, May 1st. The HMAC has requested to extend this testing resource to all Long Term Care Facilities in Region 1.
- The Alternate Care Facility (ACF) Planning Committee has completed their ACF plan. On Friday, April 24th the HMAC established three activation triggers for the ACF: 1. Ten Hospitals utilizing 25% or more of their internal surge capacity; 2. COVID Hospitalizations increase by 10% or more for 7 days in a row; and 3. Predictive data showing bed utilization of northwest Ohio hospital exceeding 80% within 20 days. Activation of ACF will only be requested when two of the three distinct triggers reach defined thresholds. **The licensing agreement between Ohio DAS and the SeaGate operator was executed yesterday (April 29th).**
- Lucas County received two significant donations this week. Boston Scientific donated 10,000 face shields and SSOE donated 1,500 KN-95s.
- The EOC Finance branch continues to review and identify funding streams available to local governments related to COVID-19 response. Funding breaks down into two major streams. FEMA Public Assistance funding for emergency protective measures and CARES Act funding. CARES Act funding is coming down in many ways but can really be divided into two types of funding available to jurisdictions in Lucas County - Direct Stimuli/Supplements and Pass-Through/State Administrative Agency (SAA) funds.
- A non-congregate sheltering resource for first responders, health care workers, and the unhoused in isolation or quarantine is operational. There are currently **eleven** individuals in the non-congregate shelter. In order to protect the privacy of these individuals, the location of the shelter will not be publicly disseminated.
- A sheltering resource for first responders not in isolation or quarantine but needing housing has been established. Currently, there are two first responders in this semi-congregate shelter.
- The Luca County EOC will be further virtualizing operations effective on Monday, May 4th. Starting on Monday, May 4th, EOC briefings will be scaled back to Monday, Wednesday, and Friday at 10 AM.

Resource Needs and Information Requests

The following significant resource needs and information requests have been fulfilled:

- Confirmed that TLCHD is reporting case numbers in the new State format
- Determined the number of staff necessary to conduct appropriate contact tracing
- Compiled a GIS map of long term care facilities within Lucas County.

The following significant resource needs and information requests are outstanding:

- Numerous PPE requests
- Temporal thermometers
- Confirm FEMA reimbursement eligibility for testing resources with OEMA.
- **Acquire public test results from NHA and Rite Aid**
- **Quest phone number for long term care facilities to ask questions about testing and reimbursement.**
- **Confirm current stock and project additional tests to be provided to Lucas County from the Ohio Department of Health to support public testing**

Incident Objectives

The following objectives have been recently completed:

- Distributed information regarding application for FEMA Public Assistance for governments, hospitals, and non-profit organizations
- Established protocol for government offices, businesses, etc. for how to handle a positive COVID-19 case among their workforce, including contact and cleaning guidance.
- Obtained a call-in number for people with access and functional needs to report needs related to COVID-19 (419-885-5733)
- Identified current PPE needs of Lucas County long term care facilities that have a positive case of COVID-19
- Filed request with FEMA for an extension to Lucas County's request for reimbursement for non-congregate sheltering resources.
- Provided support for launch of NHA public testing site
- **Established agreement between the State of Ohio and Lucas County for utilization of the SeaGate Convention Center as an alternate care facility**
- **Executed agreement for wraparound services associated with the ACF**

Our top objectives for the next planning period are projected as:

- Establish a weekly PPE tracking tool that provides current PPE resources in hospitals, long term care facilities, fire service, and law enforcement as well as current supply chain.
- **Identify a testing location for Walgreens to operate in the southern portion of Lucas County.**
- Establish a strategy for the safe return of employees to work
- Distribute Ohio Department of Health PPE Cache
- Establish a strategy to provide testing to individuals residing in homeless shelters

The following other objectives have been identified:

- Address the disproportionate impact of COVID-19 on communities of social vulnerability
- Support resource needs of the Board of Elections related to primary election
- Support the needs of persons with access and functional needs

Next Update

- The next Situation Report will be released on May 1, 2020

EOC Information

- Virtualized members of the EOC are operational daily from 0800 to 1800 hours
