Situational Awareness*

****New items are in red.***

- Senate Bill 310 was passed May 6th in the Ohio Senate proposing a formula for the distribution of the \$350 million in Coronavirus Relief Funds allocated to the State of Ohio. The bill is currently being heard in the House Finance Committee.

- Starting June 8, intermediate care facilities for individuals with developmental disabilities and assisted living facilities can begin to allow outdoor visitation under protocol ODH will develop. Minimum requirements must include screening of temperatures for visitors and the ability to have social distancing in the visitation area, which must be outside. Each facility will determine what works best for their residents and their ability to allow outdoor visitation.
- Entertainment venues, such as zoos, aquariums, art galleries, movie theaters, country clubs and playgrounds may open on June 10th.
- Casinos, racinos, amusement parks and water parks may reopen on June 19th.
- On May 29th, Governor DeWine announced two new health orders were signed by Dr. Amy Acton. All public and private gatherings of more than 10 people continue to be prohibited through July 1st, with certain exceptions.
- On June 2nd, Governor DeWine announced that healthcare providers including dentists may resume all surgeries and procedures that were previously delayed in they meet certain safety criteria.
- Governor DeWine announced that as of right now, Ohio intends to reopen schools in the fall, but individual starting dates will be up to each local school board. In the near future, broad reopening guidelines will be issued for schools in regard to protecting the health of students and staff when the school year resumes.
- Universal testing is expected to take place at additional homeless shelters this week. This is a partnership between Neighborhood Health Association, Toledo-Lucas County Health Department and the Toledo Lucas County Homelessness Board.
- A non-congregate sheltering resource for first responders, health care workers, and the unhoused in isolation or quarantine is operational. There are currently 14 individuals in the non-congregate shelter. In order to protect the privacy of these individuals, the location of the shelter will not be publicly disseminated.
- Two deliveries of PPE provided by the State of Ohio Emergency Operations Center are expected to arrive this week. This PPE has been procured by the state and federal government. The guidance of the state EOC continues to be that PPE is to be distributed to Tier I organizations (hospitals, fire/EMS, law enforcement, long term care facilities and health care). As of June 3, the Lucas County EOC has received more than 500 resource requests.
- Beginning the week of June 8th, the Lucas County Distributions/Donations Center will be altering its days of operation from Monday/Thursday to Monday/Wednesday.

Resource Needs and Information Requests

The following significant resource needs and information requests have been fulfilled:

- Confirmed current stock and project additional tests to be provided to Lucas County from the Ohio Department of Health to support public testing
