Total COVID-19 tests performed:* 38,703

**Includes all (resident and non-resident) COVID-19 viral nasal swab tests performed in Lucas County (hospital and community testing sites). This number does not include Lucas County residents tested in other jurisdictions.*

State of Ohio Orders, Restrictions, and Advisories

- Dr. Acton executed a [Stay Safe Ohio Order](#) directing all Ohioans to Stay at Home effective from 11:59 p.m. on Monday, March 23rd through May 29th). This has been replaced by an “[Ohioans Protecting Ohioans Urgent Health Advisory](#),” effective May 20th. This has been [extended](#) until the State of Emergency declared by the Governor no longer exists, or the Director of the Ohio Department of Health rescinds or modifies the order.
- Governor DeWine [announced that Ohio will separate its mass gathering guidance into its own order](#). The order will still permit Ohioans to go to work, worship, go to school, and acquire goods and service. Gatherings at a household or family residence should be limited to close friends and family, and are recommended to be 10 visitors or less.
- Effective July 23rd the Ohio Department of Health order has issued a mandate to wear [face coverings](#) in public across the entire state of Ohio. Face coverings are required in any indoor location that is not a residence; when outdoors and unable to consistently maintain a distance of six feet or more from individuals who are not members of their household; or while waiting for, riding, driving, or operating public transportation, a taxi, a private car service, or ride-sharing vehicle.
- Ohio Department of Health issued a [Director’s Order limiting county and independent fairs](#) with an opening day on or after July 31, 2020 to specific junior fair events only. Activities include livestock competitions for 4-H and Future Farmers of America competitions. Entrance should be limited to immediate family only and a 10:00 PM curfew will be instituted. Harness racing may proceed but rides, games and grandstand events will be prohibited.
- The Ohio Liquor Control Commission held an emergency meeting to enact a [statewide emergency rule](#) to prevent the sale of alcohol at liquor-permitted establishments at 10:00 PM each night, with on-premises consumption ending by 11:00 PM. Businesses may stay open and establishments that sell food can continue serving meals until closing. Additionally, the number of liquor and mixed drinks permitted to be purchased for carryout with a meal has been increased from two drinks to three drinks.
- On August 4th, Governor DeWine announced an order requiring masks for K-12 students returning to the classroom. Ohio is receiving 2M masks from FEMA for distribution to Ohio schools. At the time this SitRep was distributed, the Ohio Department of Health Director’s Order has not been released but will be available on Ohio’s COVID-19 [website](#).

Situational Awareness

Statewide Updates

- Over the past 24 hours, the Ohio Department of Health reported 1,143 (95,106) total new cases, which was below the 21-day average. 127 (11,119) hospitalizations, 23 (2,593)

ICU admissions, and 31 (3,570) deaths, were all above their respective 21-day averages (source: SEOC SitRep 8/12/2020)

- Ohio's Reproduction number is ranging between 0.80-0.84. The Reproduction Number represents the average number of people that a person will spread a disease to.
- Also during his Tuesday August 11th Press Briefing, Governor DeWine presented a chart of the percentage of COVID-19 Cases by Age Group, which shows the 20-29 age group having the greatest percentage of cases in June, July and August.

- People entering Ohio after travel to or from states reporting a 15% positive rate or higher are asked to quarantine for 14 days. As of August 11th, that applies to Mississippi, Arizona, Florida, Alabama, Idaho, and Nevada. The list of states with a travel advisory will be updated weekly by Governor DeWine's office. The list of [states with a travel advisory](#) will be updated weekly by the Ohio Department of Health.

Travel Advisory

The Ohio Department of Health recommends against travel to states with high positivity rates. If you must travel, ODH recommends 14 days of self-quarantine after leaving these locations. This advisory is intended for both leisure and business travel and should be heeded by both Ohioans and out-of-state travelers.

#IN THIS TOGETHER
Ohio

- During the Tuesday August 11th Press Briefing, Governor DeWine continued to allow individual school districts to determine their education model for the 2021 School Year. He provided a map of Ohio school districts and their planned education model.

Education Model Planned for Start of SY21

- Lt. Governor Husted announced that schools can begin applying for the new BroadbandOhio Connectivity Grant. A total of \$50 million will be allocated through the grant program to help provide hotspots and internet-enabled devices to students. The matching grant requirement has been removed from the program. Many school districts have already begun to make purchases for the upcoming school year, and as a result, purchases made since July 1 of this year are eligible for support from this program.
- The State of Ohio's COVID-19 Minority Health Strike Force has been established to respond to and help address the disproportionate affect of the virus on communities of color. The Minority Health Strike Force has published an [interim report](#).
- Governor DeWine announced that Ohio is entering into a multi-state purchasing agreement with Maryland, Louisiana, Massachusetts, Michigan, and Virginia to expand the use of rapid point-of-care tests. This will help detect outbreaks sooner with faster turnaround time; expand testing in congregate settings; and make testing more accessible for the most high-risk and hard-hit communities.
- The State of Ohio will be receiving a significant donation of hand sanitizer from Anheuser-Busch that will be distributed to Ohio's Boards of Elections through the Secretary of State. Delivery is currently anticipated for September.

Lucas County Updates

- Governor DeWine provided a new ranking of all Ohio counties by highest occurrence of COVID-19 cases per 100,000 residents. Mercer County continues to have the highest number of cases per 100,000 residents. Following Mercer County, Champaign and Darke

counties are ranked second and third, respectfully. Lucas County is now ranked fourth (previously ranked second).

Top 10 Ohio Counties Ranked by Highest Occurrence COVID-19 Cases			
COUNTY	Cases Per 100K (7/28 to 8/10)	Case Count (7/28 to 8/10)	POPULATION
Mercer	293.9	121	41,172
Champaign	185.2	72	38,885
Darke	164.3	84	51,113
Lucas	154.5	662	428,348
Lawrence	136.2	81	59,463
Perry	130.1	47	36,134
Fairfield	121.2	191	157,574
Franklin	115.0	1514	1,316,756
Columbiana	111.9	114	101,883
Seneca	110.6	61	55,178

* The 14-day period used for this table covers data from 7/28 to 8/10. The data were pulled on 8/11 and excludes incarcerated individuals

- On July 16th, Lucas County was designated as Level III (Red) in the Ohio Public Health Advisory System, and has remained Level III since then. This Risk Level classification is based on 7 indicators. The 7 indicators include: new cases per capita*, sustain increase in new cases, proportion of cases not congregate cases*, sustained increase in Emergency Room visits, sustained increase in Outpatient visits, sustained increase in new COVID-19 Hospital admissions, and Intensive Care Unit (ICU) bed occupancy. Risk Levels will be updated every Thursday. *indicates this is a metric that Lucas County is meeting as of August 6, 2020.
- The EOC has been made aware of a new public testing site at Walgreens on Reynolds Road. COVID-19 Public Testing is available at a number of locations within Lucas County. A complete list of testing locations can be found at on the Toledo-Lucas County Health Department [website](#).
- No deliveries of PPE are expected to arrive this week from the State of Ohio EOC. The next PPE delivery is scheduled for Wednesday August 17th. This PPE has been procured by the State and Federal Government. The guidance of the State EOC continues to be that this PPE be distributed to Tier I groups (hospitals, fire/EMS, law enforcement, long term care facilities and health care). As of August 12th, the Lucas County EOC has received 590 Resource Requests.
- The Lucas County Distributions/Donations Center continues to be operational on Mondays and Wednesdays. Resource requests should be submitted to the EOC at eoc@co.lucas.oh.us.
- County Virtual EOC Briefings will continue to be held on Wednesdays at 10:00 AM, The next briefing will be on Wednesday, August 12th. The Situation Report will be distributed on Wednesdays as well.

Actions Taken to Date

- Established a single website to provide local information on community guidance to include testing protocols, resources, and closures and modifications to service delivery (<https://lucascountyhealth.com/coronavirusupdates/>)
- To report concerns, such as businesses not adhering to sector specific operating requirements/guidelines, including appropriate social distancing and/or employees wearing face coverings, please call the Toledo-Lucas County Health Department at 419-213-4161, option 4, and leave a message.
- There is a call-in number for people with access and functional needs to report needs related to COVID-19 (419-885-5733).
- A Donations Management System and Center has been established to accept and distribute donations
 - Established a landing page to direct donors to the appropriate place to provide their donation – Volunteer, Food, Financial Assistance, Goods (dontateTLC.org)
 - Linked this through our Health Department Coronavirus page as well
 - All donations of goods should be emailed to Donations@co.lucas.oh.us
 - United Way is coordinating food donations and volunteers
 - All organizations in need of PPE should refer to the process posted at <https://donatetlc.org/requests>. Requests should only be submitted if supplies cannot be obtained through standard procurement channels.
 - Hours of operation: Mondays and Wednesdays 0900-1600

Resource Needs and Information Requests

The following significant resource needs and information requests have been fulfilled:

- Compiled a list of COVID-19 specific resources available to individuals with access and functional needs
- Provide guidance regarding the operation of cooling centers during COVID-19
- Guidance pertaining to appropriate disinfectant use for COVID-19 in school settings
- **Evaluation of legitimacy and effectiveness of 24-hour hand sanitizer**
- **Visitation rights of individuals with developmental disabilities that are hospitalized. The Ability Center and the NW Ohio Hospital Council are working on a draft policy.**

The following significant resource needs and information requests are outstanding:

- **Monitor the average wait-time in appointment availability and approximate turn-a-round time of test results for all public testing sites**
- **Status of available rent assistance programs in Lucas County**
- Requests for reports of COVID-19 cases and deaths by municipalities
- Guidance for door-to-door canvassing expected with upcoming elections

Incident Objectives

The following objectives have been recently completed:

- Supporting of pop-up testing site at UT's Scott Park Campus July 29-30.
- Established protocol for government offices, businesses, etc. for how to handle a positive COVID-19 case among their workforce, including contact and cleaning guidance.

Our top objectives for the next planning period are projected as:

- **Ongoing discussion with schools regarding reopening plans and resources needed**
- **Determine interest in additional antibody testing opportunities among Fire and Law Enforcement departments**
- Continued distribution of face masks donated by Fiat Chrysler to non-profits and Lucas County subdivisions
- Review weekly PPE Survey results submitted by Long Term Care facilities, fire/EMS, and law enforcement departments and reach out to departments who have indicated they are in need of PPE.
- Provide guidance to various Lucas County entities about specific questions and clarifications pertinent to their reopening.
- A working group continues to meet weekly to plan for a second wave and/or a potential surge in the number of COVID-19 cases
- Continue to receive shipments of PPE from the State of Ohio EOC and distribute to Tier I agencies.

The following other objectives have been identified:

- Complete a Memorandum of Agreement with Toledo Memorial Park and the Catholic Cemeteries for mass burial and mass cremation services.

Next Update

- The next Situation Report will be released on Wednesday, August 12, 2020
